

Production Research Assistant

VIE (Temporary contract) - Almeria, Spain

Context

Sakata Vegetables Europe is a subsidiary of Sakata Seed Corporation (Japan) and is responsible for the development and expansion of the activities across the EMEA area. With our wide array of vegetable seeds, we want to create a confidence-based relationship with our customers, working to our age-old motto of Quality, Reliability and Service.

Sakata's Production team performs an essential role in realising and securing the reliability of the production in order to supply the right quantity & quality at the right time.

Mission

The Production Research Assistant is responsible for supporting the supply of seed for pre-commercial varieties. This is an excellent opportunity for someone who likes working in a cross-functional project and in a multicultural/multidisciplinary environment.

Under the management of the Production Project Coordinator, your main missions will be to:

- Supervise pre-commercial seed production,
- Communicate with Research & Marketing to follow product advancement,
- Collect information on parental lines & help to construct recipes of the varieties,
- Collect sample for laboratories,
- Participate to QS document update/creation & protocols writing,
- Design experimentation to improve productivity/quality of seeds.
- Take part to key activities around product advancement.

Several reports and presentations to the managers are also expecting in this position.

Profile

The VIE contract is addressed to people from European Economic Area, from 18 to 28 years old. We are looking for candidates with a high education diploma in agriculture or agronomy with a strong interest in plant. Previous experience(s) in Seed business is appreciated but not mandatory.

You will work in an international team within a multicultural organization. We therefore expect from the candidate, to demonstrate good teamwork skills and a capacity to adapt to diverse environments. Excellent communication and organizational skills along with a high level of autonomy and sense of details are also required to succeed in this position. A multitasking and curious profile is also welcome.

It is mandatory to be fluent in English or Spanish (reading, writing, and speaking). A good understanding of computer skills, especially Pack office, is also mandatory.

Application

This position is available from mid-October 2022 for one year and is based in Almeria. If this matches your project, please send us your application (Resume and Cover letter), before 2022, July 31st, by email at the following address: sve.recruitment@sakata.eu.

Thank you for your interest.
