

## Financial Consolidation Administrator (M/F)

(Permanent position, France)

Do you want to support a core department inside a multinational company? Do you see yourself as organised and autonomous? Find out more about the Financial Consolidation Lead position!

In your position, you will **lead the financial consolidation** of 10+ subsidiaries in EMEA (Europe, Middle East and Africa), to create financial reports including, among others, income statements, balance sheets, and cash flow.

### What will you do?

**Reporting:** On a regular basis (month, quarterly, year), you will prepare the financial consolidation packages and ensure the reliability of the content of the packages transmitted to the headquarter. You will also be the main interlocutor with the external auditors as well as the head office in Japan.

**Consistency:** You will guarantee the adherence to statutory rules and guidelines (including IFRS) and incorporates processes such as currency translation, intercompany eliminations, journal entry adjustments, and consolidation software administration.

You will be the **administrator of the 2-consolidation software** used internally.

### Where will you work?

You will be in **Uchaud** (30), between Nîmes and Montpellier, at Sakata Vegetables EMEA headquarter. You will interact daily with the entire EMEA region. Therefore, a good level of English is needed!

You will be part of the Finance and Administration Division, reporting directly to the Financial Controller and working in close collaboration with other teams, in Business Control, Subsidiaries' accounting teams, as well as our mother company in Japan.

### Do you fit this profile?

You have a **master's degree** level qualification, preferably in Finance or Accounting. With at least 5 **years' experience** in Financial Consolidation, and ideally, you have already worked in certified accounting.

You desire to work in an international environment, and you have the capacity to adapt yourself to different cultures. You have a **professional level of English** (reading, writing, and speaking).

In continuous exchange with the subsidiaries, you demonstrate excellent communication and teamwork skills, as well as accuracy and ability to synthesize.

### Do you want to know more about the company?

You will be part of [Sakata Vegetables EMEA](#) team, which is part of the [SAKATA](#) Group. What makes SAKATA different is that while being a key international player in the seed business, the company has retained a family spirit.

It is a people-oriented company where it is easy to communicate at all levels. As a result of its Japanese origins, it is a stable company with an emphasis on long-term culture.
